CRIMINAL CONVICTIONS

Do you have any relevant* spent** or unspent criminal convictions, any outstanding court proceedings, or are you on any offenders register?

Yes No (If you tick yes, you will be provided a criminal convictions form)

*Relevant convictions means convictions for offences:

- Against the person, whether of a violent or sexual nature
- Involving the unlawful supply or use of controlled drugs or substances where the conviction concerns commercial drug dealing or trafficking
- Arson

**If you are applying for a course in health, social work, sport, childcare or involving work with children or vulnerable adults, previous criminal convictions may affect your ability to attend work placements and possibly achieve your course. If you declare that you have a conviction, you will be asked to complete a separate information sheet. This is to help us assess any potential risks to yourself or others in the College. Having a criminal record will not necessarily prevent you from studying at the College depending on the nature of the course and the circumstances and background of the offence. If you do not disclose a relevant conviction then this could result in disciplinary action by the College.
