What will I learn?

Knowledge	Skills
Historical facts relating to your chosen profession/ industry	IT Skills
	Research skills
	Writing/English Language

Good luck and we look forward to reading your submissions!

Task one

Research using the internet or books, a person or company that shaped your chosen industry or who inspires you

Here are some examples - (you can use these if you like)

- Hairdressing example: **Vidal Sassoon** CBE (17 January 1928 – 9 May 2012) was a British-American hair stylist, businessman, and philanthropist.
- Media Hair & Makeup: **Pat McGrath** MBE is a British make-up artist. She has been called the most influential make-up artist in the world by Vogue magazine and other commentators

Task two

Hand write or Word Process in your own words, not copied and pasted

- A brief description of the person or company that you have chosen
- How this person or company influenced and shaped their industry
- Include interesting facts about this person or company
- What inspires you about this person or company?

Task three

Include some **images**, these can be copied and pasted or hand drawn

Task four

Write a conclusion about what inspires you personally about your chosen career path and industry.

- Why did you choose your particular course?
- What are your long term career goals?
