

Brighton MET are delighted to be working with the Big Lemon Bus Company to take students to and from our Central Campus (Cheapside) and our East Campus (Wilson Avenue). This service is free for students and staff wearing MET College ID badge

The Big Lemon is a Community Interest Company founded in 2007 to develop better sustainable transport. We run a fleet of buses and coaches on locally sourced waste cooking oil and our profits are reinvested to improve services for the benefit of the community. By using our services, you are supporting local independent business working for a healthier environment and a better world.
