

Summer work experience

- Before you start your course, it is expected that you will embark on some work experience with children. You should aim to gain one week's experience.
- You will need to gain a written reference from this setting, commenting on how you did.
- Contact some settings locally to you to ask if they would be happy for you to attend their setting on a voluntary basis.
- The setting could be a nursery, playgroup, after school club, holiday club, a school or a childminders.
- [Complete the Google Form](#) to tell us where you have been and which settings you contacted
- Please contact me if you have any queries or have any difficulties samantha.morris@gbmc.ac.uk
